

Can You Make Me Sing?

I'm thinking about

The words I should sing,

But not all of them

You like.

I'm trying to decide

What is up next

And what kind of phrase

Will call you.

You...

Still wonder how

Can you

Make me sing.

Still wondering now.

Still wondering now.

You're thinking about

The essence of things.

Why don't you just close

Your eyes?

Can you whisper again?

I like it the most.

What ever you want

Just make me lost.

Lost...

Still wonder how

Can you

Make me sing.

Still wondering now.

Still wondering now.

Still wonder how

Can you

Make me sing.

Still wonder how...

Still wonder how...

Still wondering...

Still wondering...
