

Keep on Letting Close

Don't be upset, boy, cause' that's how it goes.

Spend the day with her, keep close.

For tomorrow we will see

How it would be.

How it would be.

Strength means nothing, does not mean a thing.

You're left for a beauty, you've never seen.

Strength means everything when you are

Alone.

Alone...

Alone...

Don't be upset, girl, cause' that's how it goes.

Spend the day with him, let him close.

For tomorrow we will see

How it should be.

How it should be.

Pride means nothing, does not mean a lot.

His words are safe, or have you forgot?

Pride means everything, when you are not

Alone.

Alone...

Alone...
